# *People We Know; People We Knew*

Faces of old; faces of new,  
People we know and people we knew  
Growing together then drifting apart,  
Always an ending and now a new start.

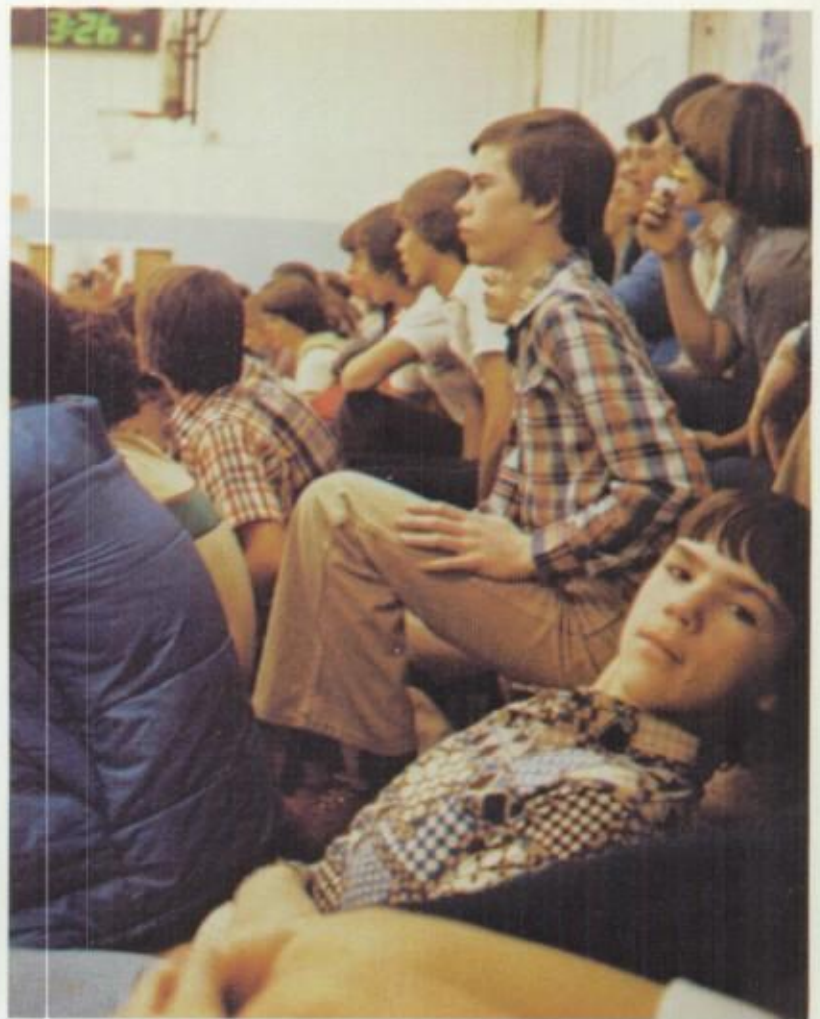

At Graduation we all grow nearer  
 And all our friends seem so much  
 dearer  
 And as we say our final good-bye,  
 One last embrace and one more cry.

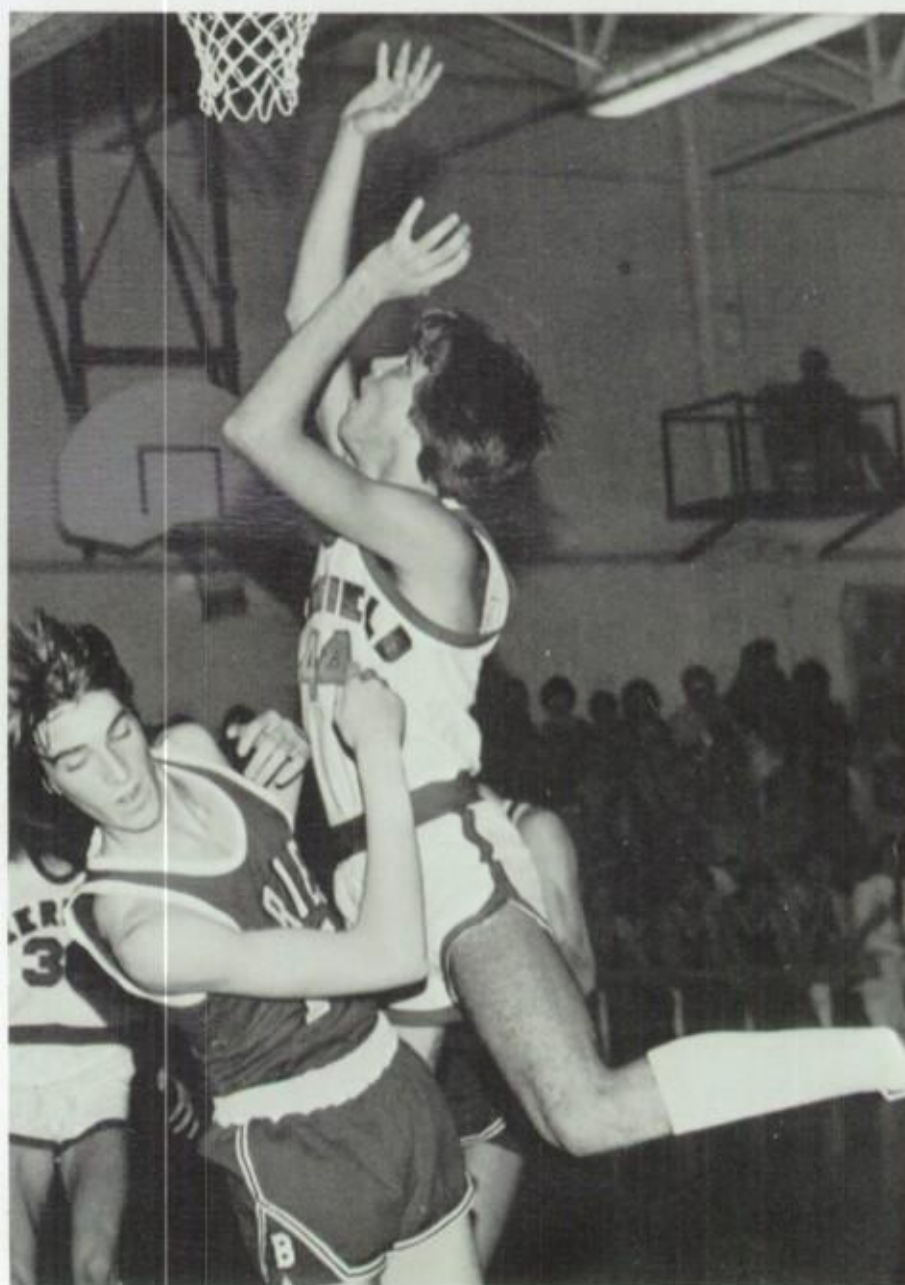

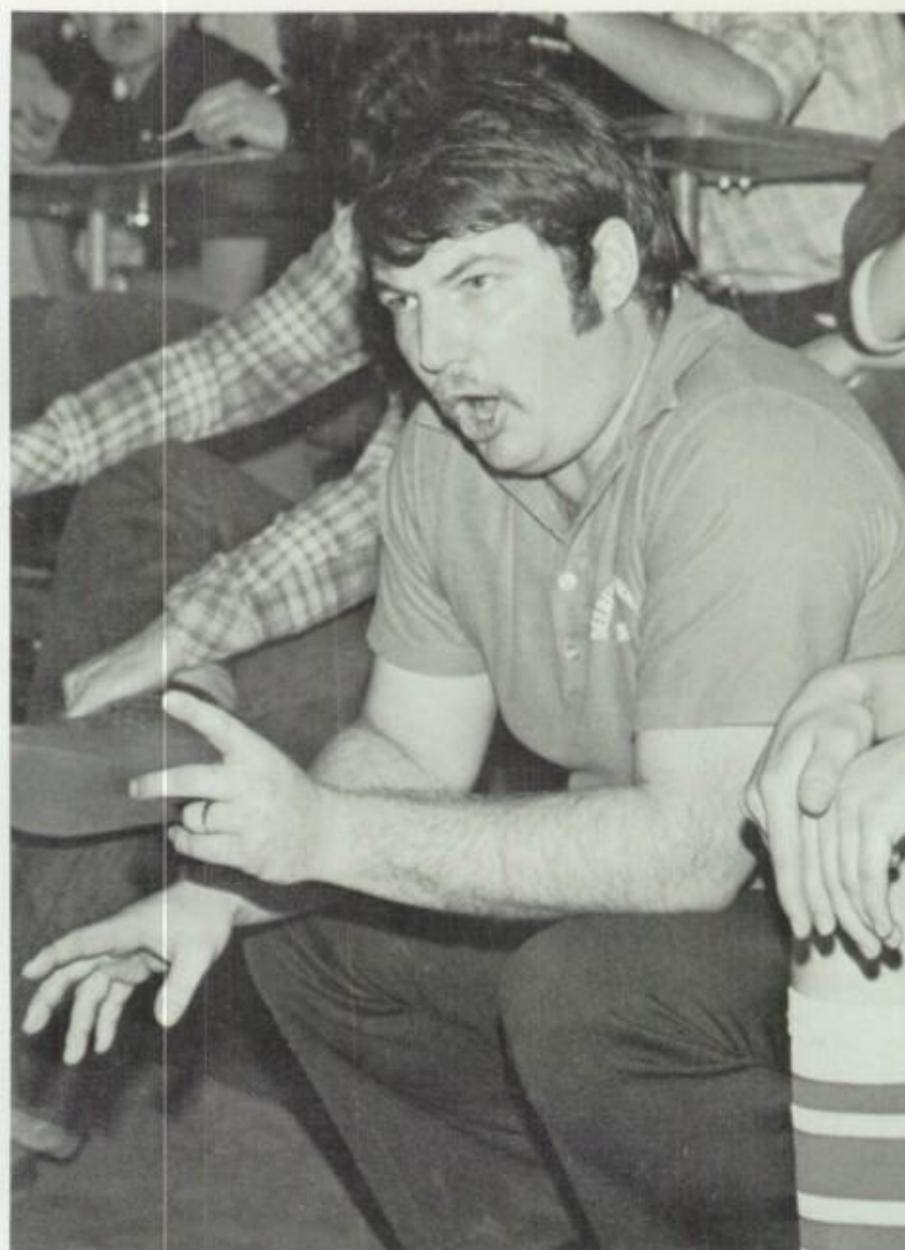

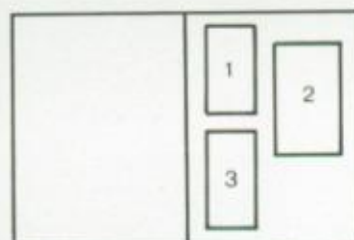

A "Keep in touch" and a "Promise I will"  
A "Remember when" but, better still,  
A place in my heart, you'll always stay,  
This is what's said as we go our own way.
